You are cordially invited to the Dress for Success Fashion Show and Networking Reception to meet and mingle with this year's student participants! Fourteen graduating students have been selected to receive a job interview and makeover, including a full suit, shoes, haircut and style. In preparation for this event, students attended a series of activities that included a career readiness workshop to prepare them for resume writing, interviewing and etiquette techniques. We invite you to join us at this annual event to witness our amazing student transformations. We invite you to help us put their new networking skills to the test!
