*For additional mini-term information, please see online Academic Calendar*

Registration and payment plans through your Webadvisor account will be available November 14 through the payment due dates as listed on the RCBC website for the individual terms for Summer 2017. Students enrolling after the payment due date for the term must pay in full or enter the payment plan by 8:00 pm that day. All payment plans are established at [www.rcbc.edu](http://www.rcbc.edu); click on Financial Resources, then click on Business Office/Payment Plans Options and follow the instructions. If you are registered for more than one term you must establish a payment plan for each term. Terms can-not be combined. A \$25.00 payment plan enrollment fee is charged to the student each semester. Payments will be withdrawn from the account that you used to establish your payment plan. Payment in full is also available online by credit card/debit card through your Web Advisor account at no charge. Payment by electronic check is available through the payment plan. All class schedule changes are adjusted on your payment plan agreement by end of the day. If financial aid is awarded/dispensed to your account, adjustment to your payment plan will automatically be done by end of the day. An email will be sent to your RCBC email informing you of the changes.

Your registration creates a financial obligation to the College and all applicable charges are due by the due dates established by the College. You must drop classes online or in person by the specified deadline. Withdrawals must be requested in person after the Drop period. Non attendance in a class does not void your registration or your term/semester bill. Please note that the schedule you receive when you register is also your bill and has the payment due date(s) listed. All dates are subject to change without notice.

## DISTANCE LEARNING

# COLLEGE CREDIT ANYWHERE, ANYTIME

### DISTANCE EDUCATION

Rowan College at Burlington County has been providing distance learning classes since 1978. Each semester, classes are offered which span the disciplines from Art to Music and from Biology to Physical Science. Distance learning courses are part of the curriculum, allowing students to learn whenever and wherever it's convenient for them, while satisfying degree requirements.

Distance learning courses typically include:

- textbook readings
- web based resources
- interaction with highly qualified faculty
- interaction with fellow students
- projects and exams

### COURSE DELIVERY SYSTEM

Our courses are delivered using a state-of-the-art course management system which enables dynamic college level instruction over the Internet. Courses are hosted on the Blackboard Learn™ Course Delivery System - Enterprise License version 9.1. To see if your computer is compatible, please visit [rcbc.edu/distance-education/technical-support](http://rcbc.edu/distance-education/technical-support) and click the System Requirements link in the tool box on the left hand side of your screen. Most modern web browsers are compatible, and if necessary you can probably find and download the necessary software for free. Compatible computers are also available to students on every RCBC campus.

### OUR FACULTY

College faculty are available on-line to answer questions and direct student learning. Faculty teaching on-line meet the same rigorous standards as those teaching in RCBC classrooms. In fact, some on-line faculty also teach on-campus, while others, selected from among the top practitioners in their fields, may be located anywhere in the world!

### OUR STUDENTS

Thousands of RCBC students take online courses every year. Students who are self-motivated and highly organized tend to be successful in Distance Education courses.

### IS DISTANCE EDUCATION FOR YOU?

You can visit [rcbc.edu/distance-education](http://rcbc.edu/distance-education) at any time, or click *Is Distance Learning for You* from the Frequently Asked Questions (FAQs) from the Distance Education homepage.

### NEED MORE INFORMATION?

For the latest and most up-to-date information on Distance Education and current course offerings, please visit our website at [rcbc.edu/distance-education](http://rcbc.edu/distance-education) or contact the Office of Distance Education by e-mail to [dlearn@rcbc.edu](mailto:dlearn@rcbc.edu) or by calling extension 1790 at (609) 894-9311 or (856) 222-9311.

Login instructions for on-line classes will be sent to each student's RCBC-provided ("rcbc.edu/email") e-mail account shortly before the semester begins.

Other important information is also distributed by the RCBC e-mail system.

It is vital that students check their accounts at [rcbc.edu/email](http://rcbc.edu/email) before and during each semester while they are taking distance education courses at RCBC.

### JOINT BASE MDL CLASS VISITOR PASS PROCEDURE

The Joint Base requires visitor passes for non-military students and Instructors attending classes on JB MDL. Students will need to supply the following documents at McGuire Visitor's Center on the first day of class in order to receive a visitor pass. Please note that these documents need to be supplied for each individual student, not just the driver of the vehicle.

- A valid (current) state driver's license **OR** a valid (current) passport.

- A valid (current) state auto registration.
- A valid (current) auto insurance card for at least the length of the class. In cases where insurance does not cover the length of the class, the pass will only be issued to that date – they must return for another pass with updated auto insurance.

Please Note: Students and instructors must depart the Joint Base within 30 minutes of the end of the class. Please call (609) 754-2577 with any questions.

*Please note this information is subject to change at anytime at the discretion of the base.*
