POLICY:

Grading System: “3+1” Inclusive Education Program with Rowan University

The following grades, in addition to the standard RCBC grades outlined in Board of Trustee Policies 202 and 204, are used on the student’s permanent record (transcript) for Year Three Professional Courses in the Inclusive Education program only.

These grades are used in order to meet the requirements of alignment with Rowan University’s grading system, and to meet New Jersey State teacher education requirements.

The Office of the Provost, Registrar and the Rowan Relations Coordinator maintain a list of all courses within the Inclusive Education program for which these grades apply.

The additional grades include A-, B-, C-, D+ and D- with the appropriate grade point value as outlined in the RCBC catalog, and consistent with Rowan University.
