HEALTH INFORMATION TECHNOLOGY

**Code:** HIT 225  
**Title:** Mastering an Electronic Health Record

**Division:** Health Sciences

**Course Description:** This course includes both distance learning and hands-on exercises to provide an introduction into healthcare informatics. It focuses on responsibilities associated with careers in the electronic health record profession. The course demonstrates clinical workflow using Medical Information Technology, INC (MEDITECH) Electronic Health Record (EHR) software. It will provide students with an understanding of the impact of EHR’s on a healthcare setting. This course requires two mandatory LIVE online sessions for hands-on practice and discussion.

**Credits:** 3 cr.

**Required Materials (Check Bookstore for Latest Edition):**
Click on the bookstore for the supplies which you are attending each class.  
Rcbc.edu/bookstore

**Course Learning Outcomes:**
Upon completion of this course, students will be able to:

- Explain hospital workflows with a focus on the clinical aspects of patient care management.
- Demonstrate, in MEDITECH’s Electronic Health Record (EHR) software, how a physician and nurse would place orders on a patient, document vital signs, document a progress note, and administer medications for a patient.
- Incorporate related healthcare industry topics that supplement or affect workflow and software functionality covered during e-learning modules.
- Successfully troubleshoot, research, and document resolution to mock EHR software issues/questions. Demonstrate strong interpersonal skills and written, verbal and analytical skills through the management of these mock tasks.
- Analyze the impact of an industry topic (e.g., American Reinvestment and Recovery Act/Promote Interoperability, Population Health, Patient Portal, etc.) on hospital workflow and compose a presentation to explain the findings.
- Demonstrate understanding of healthcare informatics terminology when accomplishing issue management related assignments.
**GENERAL EDUCATION OUTCOMES IN THIS COURSE:**

<table>
<thead>
<tr>
<th>Written and Oral Communication: Communication</th>
<th>* Students will explain and evaluate what they read, hear, and see.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Information Literacy (integrated learning goal)</td>
<td>*Students will access and use information effectively and efficiently</td>
</tr>
</tbody>
</table>
| Technological Competency: Technology | * Students will use computer systems and/or other appropriate forms of technology to achieve educational and personal goals  
* Students will use appropriate forms of technology to identify, collect, and process information |

**CORE COURSE CONTENT:**

- A review of clinical workflow in the EHR as it relates to physicians, nurses, and pharmacists  
- Education on troubleshooting and research techniques of EHR software  
- Discussion of the tools and strategies necessary to provide a superior customer service experience  
- Overview of industry topics and related terminology

**COURSE ACTIVITIES:**

Course activities vary from course to course and instructor to instructor. Below is a listing of some of the activities students can anticipate in this course:

- **Writing assignments:** students will analyze current issues in the field using current articles from the popular press as well as library research including electronic resources databases.

- **Speaking assignments:** students will present research individually or in groups using current technology to support the presentation (e.g., PowerPoint presentation); students will participate in discussions and debates related to the topics in the lessons. Discussions may also focus on cross-cultural and legal-ethical dilemmas as they relate to the course content.

- **Simulation activities:** Trends and issues will analyzed for their ethical as well as social or legal significance. Students might role-play common situations for classmates to analyze. Current news articles may be used to generate discussion.
Case Studies: Complex situations and scenarios will be analyzed in cooperative group settings or as homework assignments.

Lectures: This format will include question and answer sessions to provide interactivity between students and instructor.

Speakers: Representatives from various related fields may be invited to speak.

Videos: Related topics will provide impetus for discussion.

EDUCATIONAL TECHNOLOGY:

Rowan College at Burlington County advocates a technology enhanced teaching and learning environment. Advanced technological tools may be used in any course section to facilitate instruction. Many of our sections are web-enhanced, which means that some of your work will be submitted or completed online. Web enhancements may include online materials, grade books, testing and quizzes and assignment submission. Many students enjoy the flexibility and convenience that these online enhancements have provided, however if you have concerns about the technology involved, please speak to your instructor immediately.

STUDENT EVALUATIONS:

The student will be evaluated on the degree to which student learning outcomes are achieved. A variety of methods may be used such as tests, quizzes, class participation, projects, homework assignments, presentations, etc.

See individual instructor’s course handouts for grading system and criteria (point value for each assessment component in course, e.g. tests, papers, presentations, attendance etc.), number of papers and examinations required in the course, and testing policy including make ups and/or retests.

GRADING STANDARD:

A    Mastery of essential elements and related concepts, plus demonstrated excellence or originality.
B+   Mastery of essential elements and related concepts, showing higher level understanding.
B    Mastery of essential elements and related concepts.
C+   Above average knowledge of essential elements and related concepts.
C    Acceptable knowledge of essential elements and related concepts.
D    Minimal knowledge of related concepts.
F    Unsatisfactory progress. This grade may also be assigned in cases of academic misconduct, such as cheating or plagiarism, and/or excessive absences.
For other grades, see the current ROWAN COLLEGE AT BURLINGTON COUNTY catalog.

**COLLEGE POLICIES:**

The current college catalog and student handbook are important documents for understanding your rights and responsibilities as a student in the RCBC classroom. Please read your catalog and handbook as they supplement this syllabus, particularly for information regarding:

- Academic Integrity Code
- Student Conduct Code
- Student Grade Appeal Process

**OFFICE OF STUDENT SUPPORT AND DISABILITIES SERVICES:**

RCBC welcomes students with disabilities into the college’s educational programs. Access to accommodations and support services for students with learning and other disabilities is facilitated by staff in the Office of Student Support (OSS). In order to receive accommodations, a student must contact the OSS, self-identify as having a disability, provide appropriate documentation, and participate in an intake appointment. If the documentation supports the request for reasonable accommodations, the OSS will provide the student with an Accommodations Plan to give to instructors. Contact the Office of Student Support at 609-894-9311, ext. 1208 or visit the website at: www.rcbc.edu/studentsupport

**ADDITIONAL SUPPORT/LABS:**

RCBC provides academic advising, student support personal counseling, transfer advising, and special accommodations for individuals with disabilities free to all students through the Division of Student Services. For more information about any of these services, visit the Laurel Hall on the Mt. Laurel Campus, or call (609) 894-9311 or (856) 222-9311, then dial the desired extension:
- Ext. 1557 Academic Advisement and Counseling
- Ext. 1803 Special Populations
- Ext. 2737 Transfer Center

Or visit the following websites:

- Academic Advising [www.rcbc.edu/advising](http://www.rcbc.edu/advising)
- Student Support Counseling [www.rcbc.edu/counseling](http://www.rcbc.edu/counseling)
- Transfer Center [www.rcbc.edu/transfer](http://www.rcbc.edu/transfer)

RCBC offers a free tutoring for all currently enrolled students. For more information regarding The Tutoring Center call Extension 1495 at (609) 894-9311 or (856) 222-9311 or visit the Tutoring Center Website at [www.rcbc.edu/tutoring](http://www.rcbc.edu/tutoring)
