## **D'Jana Wyllis**

Columbia University 2021

During her time at RCBC, D'Jana Wyllis served as club officer of both the Math Club and Phi Theta Kappa honor society, participated in the undergraduate research program, earned valedictorian of her class and was named among the top community college scholars in the country.

“I was really reserved when I had just entered RCBC, but getting involved with Phi Theta Kappa and doing research with Professor Sherlock were major stepping stones for me.”
