

BOARD POLICY**No. 308**

TITLE: Student Financial Aid

DATE ADOPTED: February 27, 2019

EFFECTIVE DATE: February 27, 2019

SUPERSEDES: April 21, 1970

PURPOSE:

To establish general guidelines adhered to by the Financial Aid Office as they work with students and families to assist them with covering their educational costs.

POLICY:

1. Financial aid programs are available to assist students who need financial assistance to attend Rowan College at Burlington County.
2. Rowan College at Burlington County endeavors to participate in all available programs of financial assistance, including but not limited to, state and federal programs whose purposes are consistent with the philosophy of the College and relevant to the community which it serves.
3. Student financial problems cannot be dealt with in isolation. Financial Aid staff are tasked with assisting and supporting students and families in understanding the relationship of financial planning to educational and personal goals.
4. It is not enough to recruit and give financial aid to disadvantaged students. Supporting programs and facilities must be made available to fulfill the commitment completely.

AUTHORITY:

Permission to develop financial aid goals and programs and to select financial aid recipients is granted to the chief student affairs and enrollment officer or his/her designee by authority of the Board of Trustees.
