

BOARD POLICY

No. 800

TITLE: Public Information Policy

DATE ADOPTED: November 2, 2018

EFFECTIVE DATE: November 2, 2018

SUPERSEDES: May 8, 1984

PURPOSE:

Community involvement and public information are essential to the existence of Rowan College at Burlington County as a quality educational institution. Therefore, the President of the College shall be responsible for the development and execution of a suitable program of public information, and may designate those other persons necessary to carry out such a program.

The release of official information about any facet of College information designed to appear in any newspaper, periodical, journal and/or any other published form; or information which is to be broadcast by any of the media; or information developed for any type of publicity-related College publication, must be reviewed and approved by the President and/or his designee before such information can be disseminated.
